

Dear Parent/Guardian,

The transportation option of the Florida Tax Credit Scholarship assists with the cost to transport a student to a school that is different from the one he or she is assigned to attend. The award amount is \$750 per student, per family. Families interested in the Transportation option must complete the Step Up For Students income-based application. Scholarship payments are distributed directly to the parent in four equal payments per academic year and are mailed to the parent's address on file with Step Up For Students.

Prior to each scholarship payment, parents are required to submit a copy of the student's current report card or progress report indicating the student is still attending a school different than the one he or she was assigned to. These documents must be emailed to FTCTransportation@sufs.org or faxed to (813) 862-2325. Please include your student's name and FTC Application ID on all documents submitted to Step Up.

The Florida Tax Credit Scholarship –Transportation payment distribution schedule for the 2020-21 school year is below. Please send your student's report card prior to the listed deadline in order to receive payment.
