Help is Here!

Reading Scholarship Accounts

Because of COVID-19, students did not complete the Florida Standards Assessment (FSA) at the end of the 2019-20 school year, which usually determines eligibility for the Reading Scholarship. Your child may not have a score report, but may still qualify for a scholarship.

Your Child Is Eligible If:

They are enrolled in a Florida public school in third, fourth or fifth grade for the 2020-21 school year, **and**

- » They scored a performance level 1 or 2 on the English Language Arts (ELA) section of the FSA in the 2018-19 school year, **or**
- » They were found during the 2019-20 school year to be deficient in reading based on the latest available screening and progress monitoring assessment, **or**
- » They are attending a school that is on this list: (2018-19 Florida's 300 Lowest Performing Elementary Schools), **or**
- » They are attending a school that is on this list: (2018-19 schools receiving a D or F school grade).
